If you have answered "yes" please give details.....

.....

I gave permission for my child to have First Aid administered to them by a First Aider in the event of an accident/emergency. I understand in the event of a more serious incident every effort will be made to contact me as soon as possible, however, if my child needs urgent medical attention I agree to the camp staff signing on my behalf.

Please tick ✓ the box if you **DO NOT** consent to your child being photographed or videoed for future publicity materials
